## ALIGN TO YOUR CURRICULUM

### LEISURE EXCURSION

Looking for an excursion that balances fun and safety?

Get the students out of the classroom and elevate their term excursion with some thrilling memories!

It's a great mental and physical challenge, mixed with wholesome fun!

### BUSINESS MANAGEMENT

Have a business management class?

Our team can provide a short presentation on how we run our unique, high ropes business!

Students will learn what it takes to run an outdoor recreation park, from logistics, to marketing and operations. They'll also get the chance to 'learn the ropes' as they climb with our crew!

### TAILORED SESSION

Thinking of something different?

Our crew is happy to tailor your session to your curriculum needs, whether it be facilitation, team bonding, assistance in creating maths or physics worksheets and more!

Simply email us your requirements and we'll build something for you!

# MORE INFO HERE

## What should we wear?

Participants are required to wear enclosed shoes, such as sneakers. Climbers should wear weather appropriate clothing, suitable for physical activity. We will provide gloves, but you are welcome to bring your own!

## What if it rains?

We are an all-weather activity, with rain just being an added challenge to your climb! We recommend bringing wet weather gear or maybe a change of clothes for the trip home.

## Does everyone need a waiver form?

Yes, we require each participant to have a waiver form filled before they begin their climb. Parents will be required to fill the form for participants Under 18yrs of age.

## Do I need to make payment upfront?

No upfront payment is required for schools.

We will require the final numbers to be confirmed 10 days prior, and an invoice will be emailed on the day based on these confirmed numbers.

If there is a reduced number of participants on the day, we will apply a 10% leeway to the invoice. For example, if 20 participants are confirmed but only 15 climb on the day, the minimum charge of the invoice will be for 18 students.

## Do the teachers have to climb?

Whilst it is not a requirements for teachers to participate, we encourage those with younger aged students or those who may require assistance while climbing to join them on the circuits!

## What if there is a storm?

We will only close due to local electrical thunderstorms or strong winds. If the park is required to close, we will contact you prior to your arrival.

If you are onsite, and are less than halfway through the session, we will organise a refund or free reschedule of your booking. Park closure is at the discretion of Next Level only.

## How many circuits can we complete?

The amount of circuits is based on the number you have booked. On average, each circuit takes approx. 45min - 1 hour to complete, depending on individual climber fitness & ability, difficulty of course and number of participants on course.

## Where can the bus drop us off?

The Good Guys loading dock located on Southern Drive, Maroochydore is a good location for bus drop off's and pick up's. It is then just a short walk across the bridge to our Check-in desk.

## What is your cancellation policy?

It is free to cancel or reschedule outside 10 days of your booking.

- Cancellations between 2-10 days of your booking will incur a 50% fee of the total amount.

- Rescheduling within 2-10 days of your booking will incur a 20% fee of the total amount and will be applied to the final invoice.

- Cancellations within 0-2 days of the booking, including no shows, will forfeit the entire booking and will be invoiced for the full amount of the booking.
