# MORE INFO HERE

## What should we wear?

Circuit climbers are required to wear enclosed shoes, such as sneakers, and we recommend weather appropriate clothing, suitable for physical activity. We will provide gloves, but you are welcome to bring your own!

For the Viewing Deck, we recommend appropriate sun protective clothing, such as a hat or a long sleeve top.

## What if it rains?

We are an all-weather activity, with rain just being an added challenge to your climb! We recommend bringing wet weather gear or maybe a change of clothes for the trip home.

## Does everyone need a waiver form?

Yes, we require each participant to have a waiver form filled before they begin their climb. Parents will be required to fill the form for participants Under 18yrs of age.

## Do I need to make payment upfront?

For birthday parties we require a \$100 deposit, once your booking form has been received and confirmed by one of our team. Your final numbers and final payment is due 10 days prior.

## How many circuits can we complete?

On average, each circuit (or course) takes approx. 45min - 1 hour to complete. This does depend on the level of difficulty and the climbing ability of each individual climber, as well as the number of other climbers on the course.

## What about food and drink?

You are welcome to bring along your own catering to share. Please help us by keeping rubbish to a minimum.

## Do adults need to climb the circuits with the children?

If you book a party, you will need to have one participating adult to supervise up to 2 children, aged 6-9 years old. A ticket is required for the supervising adult. We also require 1 adult for up to 4 children, aged 10-12 years old. Children aged 13-17 years require a non-participating adult to supervise from the ground. Additional adults not included in the ratio are \$35 for Party Starter and \$45 for Party Extreme. If you hire an instructor, our Next Level Crew will look after your group, but big kids at heart can still join in!

## What if there is a storm?

We will only close due to local electrical thunderstorms or strong winds. If the park is required to close, we will contact you prior to your arrival.

If you are onsite, and are less than halfway through the session, we will organise a refund or free reschedule of your booking. Closure is at the discretion of Next Level only.

## What is your cancellation policy?

It is free to cancel or reschedule outside 10 days of your booking.

- Cancellations between 2-10 days of your booking will incur a 50% fee of the total amount.

- Rescheduling within 2-10 days of your booking will incur a 20% fee of the total amount and will be applied to the final invoice.

- Cancellations within 0-2 days of the booking, including no shows, will forfeit the entire booking and will be invoiced for the full amount of the booking.
