What if it rains?

We are an all-weather activity, with rain just being an added challenge to your climb! We recommend bringing wet weather gear or maybe a change of clothes for the trip home.

What should we wear?

Climbers are required to wear secure, enclosed shoes, and we recommend weather appropriate clothing, suitable for physical activity. We will provide gloves, but you are welcome to bring your own!

How many circuits can we complete?

Each course (known as circuits) take approx. 45min - 1 hour to complete. Party Starter is the completion of one circuit, while Party Classic is 2-3 circuits, depending on the circuit's difficulty level and individual climbing ability within the group and general public.

Does everyone need a waiver form?

Yes, we require each participant to have a waiver form filled before they begin their climb. Guardians will be required to fill the form for participants Under 18yrs of age.

What session times are available?

Parties can choose from the same sessions available to the general public. However the last session available for parties is 1:30pm, vacating the Party Space by the park's closing time.

What can I access the Party Space?

Access to the picnic table on the Viewing Deck will be given 1-hour after the session. Where reasonable, our team can provide early access for organisers to setup, before their party concludes their session.
